## BACKGROUND OF THANKSGIVING TRACED THROUGH HISTORY

The Pilgrims were joining many of these festivals, but some strange company when they declared a Thanksgiving celebration in 1621. For the practice of giving thanks for a plentiful harvest goes back almost to the time when man first gave up wandering and hatched himself to a plow.

Along the Mediterranean, ancient peoples held festivals at harvest time in honor of a mother goddess. The Semites called her Astarte, while the Phrygians named her Semele.

The Romans honored Ceres, the goddess of agriculture, in a celebration called the Cerealia, reports World Book Encyclopedia. And the Greeks paid tribute to Demeter in secret rites called the Eleusinian Mysteries.

## Feagan Oil Co. Has Anhydrous Ammonia Now

E. C. Feagan Co., Inc., are now distributors for anhydrous ammonia, and are advocating the application of the fertilizer now as they say "Fall fertilizing is best for many farmers because it is an easy convenient and practical way to assure a plentiful supply of essential nitrogen for both fall and spring seeded crops."

E. C. Feagan Sr., in announcing the new product, said, "Agricultural Ammonia contains 82% nitrogen and is the most concentrated form of nitrogen you can buy. Since ammonia-nitrogen resists leaching, it can be applied in the fall as long as the soil is still manageable."

Bill Feagan, who is associated with his father in the local business, brought out several benefits from the fall application. He said "It improves soil fertility by rotting crop residue and changing it into available plant foods, it produces earlier spring growth, saves time, assures application, means less soil compaction and means extended grazing periods."

The oil company furnishes a 250 gallon tank mounted on an applicator which the farmer pulls behind his own tractor. They also furnish a thousand gallon "nurse" tank which is placed in the field for refilling the applicator.

## BOOSTER CLUB CHALLENGES COACHES TO B'BALL GAME

An admission charge of 50c and 25c will be charged for the event with the proceeds to help underwrite the activities of the organization, Charles Pearce, president, said.

Brown said that if the booster club gets too far ahead of the coaches, they have made arrangements for several college boys who were members of the 1960 District Champion Hamlin team to give the coaches a breather.

## FAIRVIEW NEWS

By MRS. ELMER JOINER

Cooler weather, light rain, clouds, but still no freeze has been the weather pattern for this vicinity the past week. The farmers have about given up that there ever will be a killing frost, some of these mornings they will get a surprise, and wish it would turn warm again.

It was good to see Mr. and Mrs. Joe Ford back in church again Sunday, for both services, after missing some time because of his illness.

Little Cathy and Johnny Combs are visiting a few days with the Woodrow Goodwins and were in church with them Sunday. Johnny has about forgotten us all but it is a treat to see how Cathy's face lights up when she gets back to where she called home for three and a half years. They are the children of Rev. and Mrs. Doyle Combs, now of Swenson, and being preacher's children they will have many places they will love to back to before they are grown.

Mrs. E. A. Henry went to Aspermont last Wednesday afternoon to visit her sister, Mrs. Shirley Stewart and a niece, Mrs. Doris Branch.

Then Saturday, Mr. and Mrs. Henry went to Snyder to attend a birthday party for their little granddaughter, Nona Henry, who was six years old. She is the daughter of Mr. and Mrs. Clois Henry.

Mrs. Woodrow Goodwin and Mrs. Elmer Joiner went to Merkel last Tuesday afternoon

and visited with the M. E. Randolph family. He is a former pastor of our church and their daughter, Sandra, will be married Thanksgiving day, so the visitors got to see the wonderful array of gifts she received in her wedding shower, held at the church, where her father is pastor.

Rev. and Mrs. Derrell Lewis and children spent Sunday with the H. L. Ford family.

Mrs. Earl Herbst and Mrs. T. T. Brady were recent visitors with Mr. and Mrs. Flavil Holmes, one night. Mrs. Brady is our beloved Methodist friend out this way, she and Mrs. Herbst live in Hamlin.

Mrs. Elmer Joiner attended the book review, given in the chapel of the First Baptist Church, Friday afternoon, by Mrs. L. E. Dudley, of Abilene, to the members and guests of the 52 Study club. Mrs. Joiner was the guest of her daughter, Mrs. J. E. McCoy.

Mr. and Mrs. Fred Rosenbaum were dinner guests of the Winson Grays Sunday.

The long awaited percolator for the church, which was secured by the Gold Bond Plan for organizations, arrived last week. It holds 40 cups and will be very nice to have on hand for social occasions.

Mrs. Buck Joiner and children, Charles, Jerry and Susan, with their cousin Larry McCoy, spent Saturday night with Mr. and Mrs. Elmer Joiner.

er and were visitors in church and just everything good will Sunday morning. Mrs. Joiner will be served, so all be sure and be there, and if someone invites you to come, don't miss it, for we always have an abundance of good food. Then we

will try out the new percolator so we will have extra good coffee and plenty of it.

Sarah Josepha Hale, a famous woman's magazine editor

during the 1800's, is credited with establishing Thanksgiving as a national holiday. She worked for more than 35 years to promote the idea, reports World Book Encyclopedia, and in 1863 persuaded President Abraham Lincoln to issue the proclamation setting aside the last Thursday in November of that year as a day of Thanksgiving.

## THANK YOU --

At this special season of the year we would like to pause and give thanks to our many friends and customers who have made our 11 years in Hamlin possible. We opened our store here 11 years ago on the 13 of this month.

## Give Thanks on this Special Day

## FOR A LAND OF PLENTY

America, America, God shed His grace on thee... A nation truly flowing with milk and honey.

The news and milk delivered right to your doorstep. For these and numerous other conveniences give special thanks to the Lord by attending Church.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

# PERS CLOSE OUT SEASON WITH WIN OVER ARCH RIVAL

Pipers closed out the season Friday night with a victory over their arch rival, 15-13, but not before having to put down a stubborn last quarter rally by the Tigers. The win was Hamlin's in district play and put the Tigers who finished season in the cellar. The final outcome of the

game it was the difference between two field goal attempts that spelled victory for the Pipers. The Pipers made good on their third quarter 18 yard field goal while the Tiger's first quarter 31 yard try failed.

Late in the second period Mike Shivers recovered a Tiger miscue on the Hamlin 44. Dan Newberry carried for 6, Robert Pearce gained a first

down on an 8 yard drive to the 30, and then Van Newberry

connected with Shivers for 21 yards to the nine. Pearce carried to the five and then Van hit the line twice for gains of two and three yards for the score. The try after was no good and the Pipers led 6-0 at intermission.

Van took the kickoff and returned it to his 44. From this point Pearce carried for 3, Larry Butler 1 and Pearce again for 7 and the first down at the 45. Pearce picked up 3, Van 7, and Butler 1. Van carried for 8 and Dan gained 4 and a first on the 22. Butler gained 4, but Van was thrown for a 3 yard loss. On the next play Van ripped off 11 yards to the 10. Butler carried for 1, Van was thrown for a yard loss and then was stopped for no gain. Pearce split the uprights with his all important 18 yard field goal.

Three plays later Randy Brown recovered the third Hamlin miscue at the Hamlin 46. On the first play Dan broke over the middle with deceptive faking in the Piper backfield and raced 54 yards to score. He broke past the Tiger defender at the 35 and outraced the Tigers to the goal. The extra point try was again no good and the Pipers took their 15 point lead.

Early in the fourth quarter the Tigers took a Piper punt to the Hamlin 49 and opened their first scoring drive. The big play of the drive was a 36 yard pass play good to the Piper 14. From there on in it was short yardage gains that picked the yardage and the score. The point after try failed and the Pipers still led, 15-6.

Following the kickoff which Van returned 10 yards to the 25, the Pipers moved to the 32 before drawing a 15 yard penalty that put the ball back on the 18. Failing to gain, the Pipers were forced to punt and for the first time this season Van's punt was blocked with the Tigers carrying it to the Hamlin 5. On fourth down with inches to go the Tigers crashed over for the score. The point after try failed and the Pipers held a three point lead.

The Pipers managed to put two first downs together following the kickoff and retained possession of the football until the game ended.

Literary Club  
Meets with Mrs.  
Bill Shira Friday

The Woman's Literary Club met Friday afternoon in the home of Mrs. Bill Shira for a program concerning the "Moral and Spiritual Needs of our Community and Nation." Mrs. Tate May was moderator and members of the panel were Mmes. Lenard Hartley, Dick Maberry and M. T. York.

The discussion centered around the fact that most of our troubles today are due to lack of morality.

The panel cited the problems of rising crime, materialism, alcohol, narcotics, sexual immorality, divorce, traffic offenses, cheating and lack of deep abiding faith in God.

The program was concluded with ways in which the school, the home and the church can correct these problems.

## TELEPHONE TALK

by Roy Eury, Manager

### TURKEY AND TOUCHDOWNS

Now comes that happy time of the year . . . the time of roast turkey, cranberry sauce, pumpkin pie, family get-togethers—and the Texas-Texas A&M football game.

Put them all together and you get Thanksgiving, 1962 . . . a great day in every way.

Here's hoping you have a good one.

### A SMALL SUGGESTION

I have a small suggestion if you want to help out-of-town friends and relatives reach you faster when they telephone. Be sure you give them your area code as well as your telephone number. The area code here is 915.

### NEW MOVIE AVAILABLE

Like to learn more about Telstar, the world's first active communications satellite? Well, a brand new telephone company film is now available for your school, civic or church organization.

It's called "Telstar," and is in Technicolor and runs 27 minutes. There are dramatic close-ups of the Telstar launch from Cape Canaveral and shots of the Bell System's huge earth station at Andover, Maine, as well as earth stations in Britain and France.

To book this film for your group, free of charge, just call the telephone business office, SP 4-1691.

### TIMELY TIP

Chances are you've never found yourself in the predicament of the people in our cartoon . . . let's hope not anyway.

At any rate, it helps me make a point: One way to make certain you never stand in line is to settle back and shop by phone. After all, you're only seconds away from any store in Hamlin with your telephone.

### ONE LAST THOUGHT . . .

They tell me the worst part about loafing is that you can never take a day off.

So long for now and I'll see you again next month.

Call by number. It's twice as fast.
